Financial Planning Financial Services Guide (FSG)

Dated 1 January 2018.

It's important you understand this Financial Services Guide ("FSG") as it is a legal document.

If any part of this FSG is not clear, please speak to your People's Choice Credit Union Financial Planner.

We recommend that you retain this FSG for your reference and any future dealings regarding financial planning services provided by People's Choice Credit Union.

Note: This FSG does not relate to the People's Choice Credit Union's banking business. A separate FSG relating to the banking business is available upon request.

What is this document?

This FSG outlines the financial planning services provided by your People's Choice Credit Union Financial Planner ("Financial Planner"). Your Financial Planner is an employee representative of People's Choice Credit Union, a trading name of Australian Central Credit Union Ltd ABN 11 087 651 125 Australian Financial Services ("AFS") Licence Number and Australian Credit Licence Number 244310 ("People's Choice Credit Union"). This FSG is issued by your Financial Planner with the authority of People's Choice Credit Union.

The FSG is an important document and will help you decide if you want to use the services being offered. It contains information about:

- People's Choice Credit Union and your Financial Planner;
- The services offered;
- How financial advice is documented;
- How you pay for the services;
- Remuneration that may be paid to us or your Financial Planner in relation to the services offered;
- Any associations and incentives which may impact these services;
- How we deal with your personal information; and
- How we deal with your complaints if you are not satisfied with the services provided.

You will be given a Product Disclosure Statement (“PDS”) whenever we recommend to you a financial product in relation to which a PDS is available. The PDS will contain information about the product including the terms and conditions that apply to it, any applicable fees and charges, and potential benefits and risks. It will help you compare financial products and decide whether you want to acquire the product. Whenever we provide you with personal advice, which takes into account your objectives, financial situation or needs, we will give you a Statement of Advice (“SoA”). The SoA will set out our advice, explain the basis for the advice and give you information about anything that may have influenced the advice. The SoA will be your record of the advice and help you to understand why the advice was given.

Who is responsible for the financial services provided?

Best Interests Duty

Your Financial Planner provides financial planning services to you as an employee representative of People’s Choice Credit Union. People’s Choice Credit Union is responsible for the financial services described in this FSG.

Your Financial Planner follows People’s Choice Credit Union policy and procedures to ensure they provide advice that is appropriate to your circumstances and has been created with your best interests in mind (where we put your interests above our own).

Contacting your Financial Planner

Your Financial Planner may be contacted during normal business hours on 1300 132 982, or by email via fpsupport@peopleschoicecu.com.au

How your Financial Planner is remunerated and how People’s Choice Credit Union’s fee structure works

Your Financial Planner receives a salary as an employee of People’s Choice Credit Union, and may also receive a performance bonus which is based on the income they generate for People’s Choice Credit Union.

Advice Fees

Your Financial Planner will work closely with you to identify your specific goals and objectives, and then tailor their recommendations in the form of a personal SoA. We will then implement the advice you agree to proceed with, ensuring you are kept up-to-date as things progress. Where our advice

includes insurance recommendations, our support extends throughout the underwriting process. The fee charged for the advice and services provided will vary depending on the complexity of the advice you are receiving, but you will not be charged more than \$7,700 (incl. GST). Should you instruct us to prepare a SoA, and then elect not to proceed, you may be charged a fee of up to \$7,700 (incl. GST). The SoA preparation fee, including where you elect not to proceed with our advice, will be expressly agreed to by you prior to any work commencing on the SoA.

In the case where your Financial Planner is recommending insurances, we may receive upfront commission in addition to any advice fees charged, and these will be detailed in your SoA. This commission varies depending on the insurance implemented and can range from 0% to 80% plus GST of the premium you pay (or up to 130% (plus GST) if the policy was applied for before 1 January 2018 and issued before 31 March 2018).

For example: Assume that you take up an insurance policy with an annual premium of \$1,000. If the issuer pays an upfront commission of 80%, we will receive \$800 (plus GST).

Commission is incorporated into the insurance premium you pay and is not an additional or separate charge. For completeness, all fees and commissions will be clearly and fully disclosed in your SoA.

Ongoing Service Fees

We offer a range of ongoing Client Service Packages which provide various levels of ongoing review and interaction, all designed to keep your financial strategies up to date as your needs and circumstances change. The services included in the package offered to clients, along with any fees and/or commissions which we receive on an ongoing basis, will be clearly set out in any SoA presented.

For investment products, the ongoing service fee is 0.88% (incl. GST) up to a maximum \$7,700 (incl. GST) per annum on the balance of your investment products under management and is generally deducted from your investment.

For example: Assume that you held investments valued at \$100,000 over the course of a year and we had previously agreed we would charge 0.88% (incl. GST). You would pay \$880 (incl. GST) for our ongoing service.

For insurance products, we may also receive trail commission, which can range between 0% and 20% (plus GST) of the premiums you pay (or up to 30% (plus GST) if the policy was applied for before 1 January 2018 and issued before 31 March

2018, or if the commission is level - i.e. the same for every year of the policy term).

For example: On a \$1,000 insurance premium, if the issuer pays 20% of the annual premium as an ongoing commission, we will receive \$200 (plus GST) each year for as long as we are listed as your Licencee. Commission is incorporated into the insurance premium you pay and is not an additional or separate charge.

If your circumstances change significantly over time, it may be prudent at some point to offer you a new SoA. The provision of a new SoA is generally not covered by the Ongoing Service Fee, and in such cases a new Advice Fee will be payable depending on your Client Service Package.

Consulting Service

We can provide general consulting services, which encompass any financial advice needs that are not otherwise covered by the above services. Our Consulting Service Fee is \$220/hour (incl. GST).

For this reason, your Financial Planner is not permitted to switch your investments frequently or make speculative investments in products such as tax-driven schemes or unregulated products. Your Financial Planner is also restricted to the People's Choice Credit Union Approved Product List unless they receive special approval from People's Choice Credit Union to use other products in particular circumstances.

To further protect your interests, People's Choice Credit Union does not allow your Financial Planner to:

- Act as a trustee for you or operate a trust account on your behalf;
- Hold a Power of Attorney;
- Hold funds or generally have access to withdraw funds on your behalf. In some instances, your Financial Planner may, where you hold a particular product, withdraw funds from your product account and deposit those funds into another account previously nominated by you where you have instructed them to do so;
- Act on behalf of any other AFS Licence holder; or
- Ask you to sign documents which have not been fully addressed or completed.

What you will receive when provided with a financial service

Your Financial Planner will provide you with recommendations which are appropriate for your circumstances and designed to meet your needs, financial situation and objectives. To achieve this, your Financial Planner will:

- Work with you to understand your needs, objectives and personal circumstances;
- Explain to you the scope of advice being provided;
- Provide you with a SoA, which is a comprehensive document explaining their recommendations, the basis of the advice, the benefits and risks, the cost to you of implementing the advice and any commissions or associations which could have influenced the advice; and
- If a product is recommended, provide you with a PDS containing information about each product recommended, to help you to make an informed decision about whether to purchase that product.

When you will receive a SoA

Your Financial Planner may meet with you several times to discuss possible advice options before finalising their recommendations. Once they have finalised their advice, they will explain their recommendations to you and document it for you in a SoA. You should only implement advice after taking the time to read and understand the SoA. You may specify how you would like to give us instructions, for example by telephone, email, fax or other means. But in all cases we must receive a written confirmation of those instructions.

In certain circumstances you may not receive a SoA, such as:

- When only general advice rather than personal advice is provided, such as advice provided in seminars and through newsletters which does not consider your personal circumstances; and
- When you have previously received a SoA and you then receive further advice which is not significantly different, we will prepare a Record of Advice ("RoA") detailing the further advice. You can request a copy of the RoA by contacting us (if you have not previously received a copy) within 7 years of that further advice being given.

Who we act for

When we provide advice about financial products, we do so on our own behalf. When we assist you to acquire a financial product, we act on your behalf. Details of the relevant product issuer will be included in the PDS or other disclosure information for that financial product. In all instances where we are providing a financial service to you, we are required under the law to act in your best interests and prioritise your interests ahead of our own.

Other benefits People's Choice Credit Union receives from product providers

People's Choice Credit Union receives a margin from Colonial First State, being approximately 0.15% on qualifying funds within their Colonial FirstChoice Retail platform. We will inform you in the SoA where such payments may be received by us consequential to any product recommendations we may make to you.

Payments to your Financial Planner

Your Financial Planner is an employee of People's Choice Credit Union and receives a regular salary. In addition, your Financial Planner may receive an additional bonus subject to meeting a range of financial and non-financial objectives. Further information about how your Financial Planner's remuneration is calculated will be provided in your SoA.

Although rare, People's Choice Credit Union and your Financial Planner may also receive additional benefits such as help with marketing expenses, subsidised attendance at training conferences, and other rewards such as gift vouchers, tickets to sporting events and invitations to social events. As required by law, we maintain a Benefits Register of non-cash payments which you can view upon request.

As part of our advice, your Financial Planner may recommend a referral to another professional such as a lawyer or taxation specialist. People's Choice Credit Union does not receive any payments or other benefits for such referrals.

If you have been referred to us by a staff member, the staff member may receive an incentive for the referral. This incentive is provided by People's Choice Credit Union and is not an additional cost to you.

We are committed to providing quality advice to our clients. This commitment extends to providing accessible complaint resolution mechanisms for our clients.

As required by law, we hold professional indemnity insurance cover for the activities conducted under our AFS licence which we believe satisfies the requirements of s.912B of the Corporations Act 2001 for compensation arrangements. The insurance will cover claims in relation to the conduct of employee representatives, representatives and employees who no longer work for us (but who did at the time of the relevant conduct).

4. Refusal of credit applications

We may refuse an application for consumer credit made by you individually or with other applicants. Our refusal may be based on credit eligibility information obtained from a credit reporting body about you, another applicant or another person proposed as guarantor. In that case, we will give you written notice that the application has been refused on the basis of that information. We will tell you the name and contact details of the relevant credit reporting body and other relevant information.

We take reasonable steps to make sure that your personal information (including credit-related information) that we collect, use or disclose is accurate, complete and up-to-date.

- unauthorised access, disclosure or modification.

We will also only keep your personal information (including credit eligibility information) for as long as it is needed (including when we are no longer required by law to keep such records). When your personal information is no longer needed we will take reasonable steps to ensure that it is destroyed or permanently de-identified.

Only in limited circumstances can we deny you access to your information. If we refuse to give you access to any of your personal information, we will provide you with reasons for the refusal and the relevant provisions of the Privacy Act that we rely on to refuse access. You can contact us if you would like to challenge our decision to refuse access.

9. Marketing

We may use your personal information, including your contact details, to provide you with information about products and services, including those of third parties, which we consider may be of interest to you. We are permitted to do this while you are our member, and even if you are on the Do Not Call Register.

We may also provide your details to other organisations for specific marketing purposes, such as mailing houses and internet service providers.

From time to time we may phone you for marketing purposes or send you marketing material. We will consider that you consent to this unless you opt out of receiving marketing material from us. At any time you may advise us if you no longer wish to receive marketing information or do not wish to receive marketing information through a particular channel, like email, phone, sms, or mail. And you may also be able to block online advertising by adjusting your internet browser settings. Please keep in mind that we are required to send some information by law. If you don't want us to send you marketing communications you can update your marketing contact preferences at any time in Internet Banking under the Settings menu, by calling our National Contact Centre on 13 11 82 or by visiting any branch.

To help us reach the right people with our credit direct marketing, we may ask a credit reporting body to "pre-screen" a list of potential recipients of our direct marketing against our eligibility criteria to remove recipients that do not meet those criteria.

The credit reporting body cannot use information about your existing loans or repayment history in carrying out its pre-screening and it must destroy its pre-screening assessment once it has given us, or a contractor acting on our behalf, the list of eligible recipients. If you do not want your credit information used for pre-screening by a credit reporting body that holds credit information about you, you can opt-out by informing that credit reporting body, whose contact details will appear on their website.
