3. Privacy

3.1 Collection of Personal Information

3.1.1 We collect personal information about you for the purposes of providing our products and services to you and for processing your Payments.

3.1.2 We owe you a duty to keep information about you confidential and in general, we will not disclose your information to other parties. However, we can disclose information we have about you in circumstances where:

- We are required to do so in order for us to provide you with your Account or Access Facility or to carry out your instructions in relation to an Account or Access Facility.

For example, disclosure to our service providers or payment intermediaries, such as CUSCAL.

- We are compelled to do so by law.

For example, disclosure to various Government departments and agencies such as the Australian Taxation Office of the amount of interest you have earned on your Account, and disclosure to the courts under subpoena.

- It is in the public interest to do so.

For example, where a crime, fraud or misdeed is committed or suspected by us, and in our reasonable discretion, disclosure is justified.

- We are permitted by law and it is in our interest to do so.

For example, disclosure to a court in the event of legal action to which we are a party, or if we are trying to recover a debt, we may have to inform solicitors, debt collectors or credit reference agencies.

- You ask us or agree for us to do so.

For example, when you open an Account or apply for a service, you may agree to us giving a reference or passing on information to a credit agency by signing an authority allowing us to do so.

3.1.3 You may have access to the personal information we hold about you at any time by asking us.

3.1.4 We must also comply with the Privacy Act which is an Act passed by the Australian Government that requires us not to disclose certain information about you unless that disclosure is allowed.

3.2 Anti-Money Laundering (AML) and Counter Terrorism Financing Requirements

3.2.1 We meet the regulatory and compliance obligations of AML and Counter-Terrorism Financing laws both in Australia and overseas. These obligations mean that:

- We will not allow a person to operate any Account(s) until his or her identity has been verified in accordance with any identification procedures we deem necessary to meet our obligations. This applies equally for all Account owners and authorised Third Party Operators;
- We may be required to obtain additional information from you where required by any law in Australia or any other country and you agree to provide us with that information;
- We may be required (and you authorise us) to disclose information provided to us or any other information where required by law in Australia or any other country. This includes the release of information regarding Internet Banking transactions to overseas regulators;
- Your transactions could be delayed, blocked or frozen if we believe on reasonable grounds that making a Payment may be in breach of the law in Australia or any other country;
- You release us from all liability to you if we delay or block any transaction, or refuse to pay any money or do anything else affecting a transaction or Payment in the reasonable belief that a transaction or Payment would contravene any law in Australia or any other country.

3.2.2 You agree that you will not initiate, engage in or effect a transaction or Payment that may breach any law in Australia or any other country. If you do so, you indemnify us against any loss or liability we may incur which arises from such transaction or Payment.

4. Term Investment Accounts

- 4.1.2 You indemnify us for any liability arising out of the use of the Account and as specified in clause 4.1.1, including where an Authorised Person acts without, or inconsistently with, your instructions.
- 4.1.3 In the event of your death, the credit balance in any Account held by you that is not a Joint Account will be deemed to be property located:
- (a) if a Court Order has been made in relation to the administration of your estate and the original, or a certified copy, of that Court Order has been provided to us, in the State or Territory in which that Court Order was made; or
 - (b) otherwise, in the State of South Australia.

4.2 Becoming a Member

- 4.2.1 You will need to become a Member of the Credit Union before we can issue an Account to you.
- To become a Member, you will need to do everything we ask of you including, without limitation, complete a Membership application form and purchase a \$2.00 share in the Credit Union which is fully refundable should you ever resign your Membership.

- 4.2.3 Memberships can also be opened for non-personal use, trusts, clubs and societies, but must be opened in the name of a separate legal entity.

4.3 Providing Proof of Identity

- 4.3.1 The law requires us to verify your identity when you open an Account or Membership or when you become a Third Party Operator to an Account or Membership.
- 4.3.2 You agree to provide us with any documents we reasonably require from you in order for us to comply with our obligations under AML or any other relevant legislation. If you do not provide us with this information we may refuse to open an Account or Membership for you or allow you to become a Third Party Operator.
- 4.3.3 The regulations require all identification to be current and original documents or certified copies of the original documents must be used.

4.4 Opening and Operating an Account

You can open any combination of Accounts included in the Summary of Term Investment Accounts Table subject to the eligibility requirements of the Account type.

4.5 Fees & Charges

4.5.1 This document outlines the current fees and charges applicable to our Term Investment Accounts. Please refer to our "Fees & Charges" document to find out more information about the Fees & Charges relating to other products and services.

4.5.2 We may vary fees or charges on our Term Investment Accounts from time to time. Please see the Notification of Change Table for details of how and when we must notify you of any changes to those fees and charges.

4.6 Interest

4.6.1 To find out more information about the current interest rates applicable to our Term Investment Accounts, please refer to our "Transactions and Savings Interest Rates" document.

4.6.2 We calculate interest on the closing daily credit balance of your Account as at the End of Day, unless otherwise indicated in the Summary of Term Investment Accounts Table. We may vary interest rates from time to time. However, interest rates on Term Investment Accounts remain fixed for the agreed term. You can obtain information about current Term Investment interest rates from us at any time by visiting our Website.

4.7 Tax File Numbers and Taxation

4.7.1 Interest earned on an Account is income and may be subject to income tax.

4.7.2 When you apply for an Account we will ask you for your Tax File Number or exemption. We apply your Tax File Number to each Account. You are not obliged to disclose your Tax File Number to us. However, if you do not, and do not claim a valid exemption, we are obliged to deduct withholding tax from any interest you earn at the highest marginal taxation rate plus the Medicare levy rate. The withholding tax rate is set by the Government and may vary from time to time.

4.7.3 For a Joint Account, all holders must quote their Tax File Numbers and/or exemptions; otherwise withholding tax applies to the whole of the interest earned on the Joint Account.

4.7.4 For overseas residents, withholding tax may apply even though you have quoted us your Tax File Number.

4.7.5 For business Accounts and charities, you need only quote your ABN instead of your Tax File Number.

4.7.6 Your Tax File Number will be kept in accordance with the strict guidelines of the Privacy Act.

4.8 Joint Accounts

4.8.1 A Joint Account is an Account in the name of more than one person.

4.8.2 The important legal consequences of holding a Joint Account are:

- The right of survivorship - when one joint holder dies, the surviving joint holder(s) automatically take the deceased joint holder's interest in the Account;
- Joint liability - each joint holder(s) is individually liable for the full amount owing on the Joint Account. This means we can recover all money owing from one or more of the Account holders as we choose.

4.8.3 You can operate a Joint Account on the basis of:

- 'all to sign'; or
- 'only one to sign'; or
- specific signing authority, eg: 'two of four joint holders to sign'.

All to sign means all joint holders must authorise any action on the Account, including closure of the Account. Only one to sign means any one joint holder can authorise any action on the Account, including closure of the Account.

Specific signing authority means the instruction for a signing authority to be followed in regard to any action on the Account, including closure of the Account.

4.8.4 If the Joint Account holders omit to indicate the signing authority on the Account, the Account will default to 'all to sign'.

4.8.5 All Joint Account holders must consent to the Joint Account being operated on an 'only one to sign' basis. However, any one Joint Account holder can alter this arrangement, making it 'all to sign'.

4.8.6 If more than one signature is required this will limit the types of transactions you can perform. To perform transactions via Internet Banking the Account must be 'only one to sign'.

4.9 Accounts Opened for Minors

4.9.1 An Account opened by a parent(s), legal guardian(s) or other adult(s) on behalf of a Minor must be in the Minor's sole name - a Joint Account cannot be opened

4.9.2 Accounts opened independently by a Minor may be solely in the name of the Minor or be a Joint Account - A Minor may open a Joint Account with another Minor(s) aged 13 or over and/or an adult(s)

4.9.3 Accounts opened for Minors under the age of 13 (at time of Account opening):

- the Account can only be opened by a parent(s), legal guardian(s) or other adult(s) on behalf of the Minor.
- the person(s) who opens the Account must be a Third Party Operator(s) when the Account is opened and may operate the Account in that capacity subject to the terms of the Account operating authority, the other provisions of this clause 4.9.3, and the requirements of clause 4.11.
- the Minor may only operate the Account (while a Minor) with the express, written consent of the Third Party Operator(s) in a form we approve and in accordance with the Account operating authority. The Minor may then operate the Account in accordance with the Account operating authority (as varied to include the Minor) and the other provisions of this clause 4.9.3. Minors under the age of 10 years cannot be authorised to operate the Account.
- a Minor who has been given authority to operate the Account can, if the Account operating authority specifies 'only one to sign', unilaterally change the Account operating authority, appoint a Third Party Operator(s) and/or remove any Third Party Operator's authority to operate the Account.
- we do not recommend the provision of Internet Banking access to Minors. However, Internet Banking access may be provided to a Minor aged 10 years or older with the express, consent of the Third Party Operator(s) given in accordance with an Account operating authority.

- 4.9.4 Accounts opened for Minors aged 13 years and over (at time of Account opening):
- the Account may be opened by a parent(s), legal guardian(s) or other adult(s) on behalf of the Minor. If it is, clause 4.9.3 will apply to the Account, except for the first bullet point.
 - the Account may be opened by the Minor independently and without permission from any parent, legal guardian or other adult. If it is, the following provisions of this clause 4.9.4 will apply to the Account.
 - subject to the other terms and conditions applying to the Account, a Minor will have unrestricted rights to operate the Account if the Account is in the Minor's sole name and in accordance with the Account operating authority in the case of a Joint Account.
 - a Minor may authorise, unilaterally if the Account is in the Minor's sole name or in accordance with the Account operating authority in the case of a Joint Account, one or more Third Party Operators to operate the Account in writing in a form we approve. A Minor may, unilaterally if the Account is in the Minor's sole name or in accordance with the Account operating authority in the case of a Joint Account, change the Account operating authority and/or remove any Third Party Operator's authority to operate the Account.
 - Internet Banking access by the Minor will be permitted.
- 4.9.5 Whether an Account is opened under clause 4.9.3 or the first bullet point of 4.9.4, the Minor will, upon attaining 18 years of age, obtain unrestricted access to the Account (including the right to remove any Third Party Operators) without the consent of any Third Party Operator(s).
- 4.9.6 A Third Party Operator must be an adult.
- 4.9.7 We will only open an Account at the independent request of a Minor, or grant Account access to a Minor at the request of a Third Party Operator(s), where the Minor is able to register a consistent specimen signature to our satisfaction.
- 4.9.8 We reserve the right to decline to open an Account for a Minor, or to grant Account access to a Minor at the request of a Third Party Operator(s), if we consider it reasonably necessary to decline in order to protect our interests, those of an Accountholder or those of a Minor.
- 4.9.9 We reserve the right to remove a Third Party Operator, restrict the ability of a Third Party Operator to operate on the Account of a Minor or otherwise change the Account operating authority of the Account of a Minor where we consider it reasonably necessary to do so in order to protect our interests, those of an Accountholder or those of the Minor.
- 4.9.10 In relation to an Account with a Minor Accountholder, each joint Accountholder who isn't a Minor and each Third Party Operator on the Account agrees to indemnify us and keep us indemnified against all claims (including any claim made by the Minor), obligations, liabilities, expenses, losses, damages and costs that we may sustain or incur as a result of any transaction carried out on the Account while they are a joint Accountholder who isn't a Minor or Third Party Operator (even if they are no longer a joint Accountholder or Third Party Operator at the time indemnity is sought) by:
- them

- a Minor;
- any joint Accountholder; and/or
- any Third Party Operator on the Account.

4.9.11 The indemnity in 4.9.10 does not require a joint Accountholder or Third party Operator to indemnify us for any claims, obligations, liabilities, expenses, losses, damages or costs to the extent they arise from any fraud, negligence or wilful misconduct by us or our officers, employees, contractors or agents

4.9.12 For the avoidance of doubt, any credit balance in a Minor’s Account is at all times the property of the Minor in the case of an Account in the sole name of a Minor and is the joint property of all the Accountholders (including each Minor) in the case of a Joint Account.

4.10 Trust Accounts

4.10.1 You can open an Account as a trust Account. However:

- We are not taken to be aware of the terms of the trust;
- We do not have to verify that any transactions you carry out on the Account are authorised by the terms of the trust.

4.10.2 You agree to indemnify us against any claim made upon us in relation to, or arising out of, that trust.

4.11 Third Party Operators

4.11.1 You may nominate another person or persons to operate your Account (a “Third Party Operator”) by completing the relevant form, available at any of our branches. Third Party Operators may be required to provide proof of identity as explained in clause 4.3.

- 4.11.4 You may revoke the Third Party Operator's authority at any time by giving us written notice.
- 4.11.5 We will comply with any notice given to us to revoke the Third Party Operator's authority within 48 hours of receiving the request.

- 4.12.1 Deposits may be made to open the Account, or added to your Account balance at renewal, by any of the following methods, unless otherwise indicated in the Summary of Term Investment Accounts Table:
- By cash or cheque at any branch (please see clause 4.13 for more details regarding cheque deposits); or
 - By transfer from another Account with us.
- 4.12.2 Under Australian law we are required to report all cash deposits or withdrawals of \$10,000 or more.
- 4.12.3 We may refuse to accept any cheque for deposit at our absolute discretion.
- 4.12.4 You may not deposit additional funds into a Term Investment Account at any time during the term of the investment. However, upon maturity of a Term Investment Account you may deposit additional funds at any time during the Grace Period. There is no minimum required amount for additional deposits.

4.13 Cheque Deposits

- 4.13.1 You can only access the proceeds of a cheque when it has cleared. This usually takes three Business Days. The drawing bank has a right to request an additional day's clearance. Overseas cheques of \$10,000 or less may take up to 30 Business Days to clear, and overseas cheques of above \$10,000 are cleared upon receipt of payment confirmation from the third party service provider we use to present the cheque.
- 4.13.2 Cheques deposited at a branch can normally only be deposited into the Account of the person or entity named as payee on the cheque. If you are depositing a cheque to your Account where you are not the person or entity named, ownership of the cheque must be transferred to you by having the payee sign the back of the cheque in the following manner:
- Please pay [your Account name], signed [payee's signature]. If we are not satisfied you are the rightful owner of the cheque (for any reason), in our sole discretion we may refuse to accept the deposit.

4.14 Withdrawals

- 4.14.1 You may make a partial withdrawal of funds from your Term Investment Account once during the term of the investment, annually if the term of the investment is greater than one year or within the Grace Period, provided that you withdraw a minimum of \$1,000, or if your balance is less than \$1,000, withdraw all funds from your Term Investment Account. If you need to withdraw further funds from your Term Investment Account during the remainder of the term where the term of the Investment is one year or less, or within the same annual period for terms greater than one year, you will be required to withdraw all funds from and close your Term Investment Account.
- 4.14.2 If you withdraw all or part of your funds from the Term Investment Account prior to maturity (Early Redemption), we may charge you an Early Redemption fee. Please refer to Term Investment Fees & Charges within this document. You must give us not less than thirty one (31) days notice if you wish to make an Early Redemption. In our discretion, we may waive this notice period in the event you are experiencing financial difficulty.
- 4.14.3 If a partial withdrawal during the term of the investment or within the Grace Period would cause the balance of your Term Investment Account to fall below the minimum balance required, you must redeem the Term Investment Account in full.
- 4.14.4 If you redeem your Term Investment in full and it is your only Account you will also have to resign your Membership, in which case you will be refunded your \$2.00 share. Resigning your Membership must be in writing with your signature.
- 4.14.5 If you make a partial Early Redemption, the term and interest rate applicable to the Term Investment Account will continue.

4.15 Maturity of Term Investment Accounts

- 4.15.1 Prior to the end of your term for a Term Investment Account, you will receive a written notice from us advising you of your investment maturity date.
- 4.15.2 You must advise us of your requirements prior to expiry of the Grace Period. If we do not hear from you before expiry of the Grace Period, your funds will be automatically reinvested for the same term at the prevailing rate.
- 4.15.3 If your investment is automatically renewed and you wish to withdraw the funds prior to the new maturity date, the withdrawal will be treated as an Early Redemption as explained in clause 4.14.1.
- 4.15.4 If you perform a full redemption during the Grace Period, we will not pay you any interest for the Grace Period including the maturity date.

4.16 Corporate Cheques

- 4.16.1 You may request us to issue a corporate cheque, payable to the person you nominate, for a fee, as explained in the "Fees & Charges" document. A corporate cheque is similar to a bank cheque, but may not be treated as such by all third parties. A bank cheque can be organised for an additional charge. Please refer to the "Fees & Charges" document for applicable fees.
- 4.16.2 If a corporate cheque is lost or stolen, you can ask us to stop payment on it. You will need to complete a form giving us evidence of the loss or theft of the cheque. You will also have to give us an indemnity - the indemnity protects us if someone else claims that you wrongfully directed us to stop the cheque.

4.16.3 We cannot stop payment on our corporate cheque if you used the cheque to buy goods or services and you are not happy with them. We are not responsible for any defects with goods or services you buy with our corporate cheque. You acknowledge that all complaints about goods and services must be addressed to the relevant supplier of those goods and services.

4.17 Member Access Password (MAP)

4.17.1 You may give us a password that we may accept as proof of your identity and your authority to carry out transactions on your Accounts.

Use

4.17.2 Your MAP may be used by us to establish your identity for certain dealings and transactions with us.

4.17.3 We will tell you from time to time the type of dealings and transactions in which we will accept your MAP to establish the identification of the person we are dealing with.

4.17.4 We reserve the right to not register a particular MAP at our absolute discretion (ie, if we consider it to be offensive).

Reliability

4.17.5 If we state that we accept MAP for a certain service or transaction to establish identity, if your MAP is given to us for that service or transaction, we may accept your MAP as conclusively establishing your identity. We do not need to undertake any other checks to verify your identity.

Security

4.17.6 You must not disclose your MAP to anyone (other than an authorised People's Choice Credit Union representative).

4.17.7 You must tell us as soon as you think someone else knows your MAP or has used it without your consent. You should immediately reset your MAP.

4.17.8 We suggest you memorise your MAP.

4.17.9 We may cancel your MAP at any time without notice for security reasons.

4.17.10 You must not write your MAP, or carry it or keep a record of it, unless you have taken reasonable steps to disguise your MAP or prevent unauthorised access to your MAP.
