### **Choose the right account for your needs**

You should choose the account best suited to your needs by looking at your transacting and banking patterns.

A high interest earning account may seem like the obvious choice but there are various situations where choosing a different account may be a better option for your needs.

Since everyone has different transactional requirements, it might be best to talk to our staff on 13 11 82 to discuss your requirements and options available in detail.

### **Consolidate your banking**

If you hold funds or have accounts with other financial institutions, it may make sense to consolidate your accounts to minimise your fees. Our staff can assist you to switch your accounts to People's Choice Credit Union.

### **Check account balance before you transact**

Keep your ATM transaction slips as a record of your balances held and avoid attempting transactions when you have insufficient funds, or use the account balance facility before attempting a withdrawal to avoid overdrawing from your account. Phone, Internet and SMS banking are free services that you can also use to find out your account balances before you transact.

### **Use rediATM and avoid fees**

Avoid using non-rediATMs as these transactions will incur a transaction fee of \$0.25 and a direct charge from the owner of the ATM. Also any "credit account" selection will be treated as a cash advance (this includes accessing a Credit Card Account at a rediATM). If you can't avoid the withdrawal from a non-rediATM, consider withdrawing larger sums each time so you will cut down on the number of transactions.

If you need to locate a rediATM, simply look for the rediATM logo or SMS\* your postcode or your suburb and state to 199 55 ATM (199 55 286) and receive a return text message with the rediATM locations nearest to you or visit our website at [peopleschoicecu.com.au](http://peopleschoicecu.com.au), or any People's Choice Credit Union branch.

\*SMS costs \$0.55 including GST. Cardholders who do not have premium phone line SMS enabled will not be able to use this service. Need help with the SMS Search? Call the SMS Helpline on 1800 195 773.

### **Don't press 'CR' at the ATM**

Pressing the 'CR' option at the ATM when using your Visa Debit Card may result in additional fees. Always select the 'SAV' button when checking your balance or making an ATM withdrawal.

Selecting 'CR' when using EFTPOS facilities is a free transaction.

### **Use BPAY® or direct debit for convenience and reducing fees**

Where possible pay regular bills via BPAY® or with an automatic debit from your account. This also reduces the amount of time you spend on your banking.

Remember to avoid direct debit honour or dishonour fees by ensuring your account has sufficient funds to cover the entire amount of any direct debits and cheques.

### **Use Telephone banking and Internet banking**

Monitor and manage your accounts with our phone and Internet banking. Our Internet and Phone banking enables you to access your personal accounts 24 hours a day every day of the year. Using this service to check your account balance and manage your transactions is convenient and easy.

### **Budget Planner**

Take advantage of the budget planner available on our website at [peopleschoicecu.com.au](http://peopleschoicecu.com.au) to assist with managing your bills. Our staff can establish a regular transfer or a payroll deduction to an Expenses account to help ensure you always have funds available to make these payments as they are due and ensure you minimise fees charged.

To ensure you have sufficient funds in your accounts for your scheduled payments including direct debit and BPAY® withdrawals, set these up to be debited from your account the day after your payroll is credited to your account.

### **Minimise card replacement fee**

Keep your Visa Card and rediCARD PLUS Card in safe storage at all times to avoid replacement Card costs.

Please refer to other sections of this document for fee details on specific accounts.
