

Term Investments: Notice to Depositors

31 days' notice required to withdraw or transfer funds before the maturity date.

If you make a request to withdraw or transfer funds from your Term Investment before the end of its fixed term (the maturity date), a notice period applies.

The notice period is 31 days and we have a discretion to delay the withdrawal or transfer of the funds until the end of the notice period (but not beyond your maturity date).

If you may have a need in the future to immediately withdraw or transfer funds deposited then other deposit products may be more suitable for you.

If you open a Term Investment account you will agree to our Term Investment Accounts Terms & Conditions and thereby give your consent for your Term Investment to be automatically renewed (rolled over) for a further period upon maturity, unless you advise us otherwise. The interest rate applying for the further period may be lower than the rate applying to the current period.
